THE GREAT CLEAN AIR TREE PLANTING PROJECT will be the largest single day urban tree planting effort in the history of the south coast air basin. Help us kick it off this spring as we prepare for the main event on October 27, 2007. To learn more or to apply for your own tree planting project, visit www.unitedvoices.org.

The AQMD is the air pollution control agency for all of Orange County and the urban portions of Los Angeles, Riverside and San Bernardino counties. The AQMD believes that all who live or work in this area have a right to breathe clean air. AQMD is committed to undertaking all necessary steps to protect public health from air pollution, with sensitivity to the impacts of its actions on the community and businesses.
